

# Bowlers Should Spend More Time Training their Curves to Perfect Skill

## TEN PIN KNIGHTS SHOULD PRACTICE

Men Are Getting Into Condition But Are Prone to Stay Away From Alleys Except on Nights of Games.

Local bowlers are making rapid strides in getting into better condition as scores throughout the city are far better than they were the opening week. But the players are far from what they are capable of doing and only constant practice will develop them. With the enthusiasm and interest on the surface in league play the practice work is not what it should be, especially among the new players.

Ordinarily there are occasional flashes of extraordinary performance during the early part of every bowling season but these appear to be very rare this year. So far there have been just two stellar individual performances, and, strangely enough, both were executed by veterans. In the Factory league Kromer posted 420 for the Watchmakers, while Holland of the C. A. C's turned in 412 in the C. A. club league.

But the play in all of the leagues showed good improvement and was well distributed, which was in the main shown on teams in the second division of their respective leagues. This has produced a splendid effect and created many disturbances in the percentage columns. With the exception of the Bucktails there are an entire new lot of teams in the first division of the Federal league caused by a remarkable feat in that all the contests were won in straight heats.

Of the nine leagues in operation at the end of two weeks play there are but three clubs who posted a perfect percentage, which are scattered in as many leagues. The Singers, champions of the C. A. club league last season still have a perfect record this year; the Penders have a clean slate in the Trio league while the Jewels in the Elks' league are still traveling without a loss charged against them. Because of the splendid handicap system in vogue in all of the organizations these conditions cannot prevail much longer and the clubs leading this week may be in the second division within a fortnight. A remarkable situation is presented in the Studebaker league where six of the ten clubs have an equal number of games won and lost. But the other four are widely separated, the Rims and Tonques having lost but one game each while the Bolsters and Spokes have won but a single game out of the six played. This is out of the ordinary for this latter as they have figured prominently among the leaders of the league ever since the club was organized.

The Watch Co. team, in the Factory league, is making another grand getaway. They played the first two weeks without disaster but were nicked for one game last week but are now tied for honors by the Olivers. Last year the Watchmakers moved everything down before them during the first part of the season but finished within an ace of the last hole when the final whistle blew. The Singer club, which made such a brilliant fight last year, after hovering in the rear for the greater part of the season appear to be duplicating their efforts this year.

Captain Schuell is going great guns with his team in the Elks' league. With a detachment of absolute raw recruits they are mowing everything before them and if they continue their present clip they will have the battle won before the other teams get their fighting machinery mobilized.

## INTERNATIONAL WILL BE IN FIELD NEXT YEAR

Season Just Closed Has Been Most Disastrous in Twenty-two Years.

NEW YORK, Sept. 28.—The International Baseball league Sunday closed the most disastrous season in 22 years. Raids by the Federal league are directly blamed for the financial reverses which have crippled the owners of all but one of the clubs in this class AA organization.

In former years notably during the period of the fight vs. Federals, National and American leagues, the International has had remarkably hard sledding and there have been many times when it seemed doomed to dash itself to pieces on the rocks of failure. In past seasons the gameness of its backers has enabled it to stave off almost certain ruin and so in the present storm it confidently announces that it will be in the running again next year determined to turn its losses into profits and continue its career as a successful organization.

## TRAINS FOR ACTIVE WINTER

Kolehmainen Will Make Bid for Ten Mile National Run.

NEW YORK, Sept. 28.—Under the tutelage of Lawson Robertson, coach of the Irish-American A. C., Hannes Kolehmainen, the world's greatest amateur distance runner, is training for an active winter on the cinder paths and indoors. Hannes, who admits that his recent hurried return from Europe was to avoid shouldering a musket, will make an especial bid for the 10-mile national run.

Several pounds over weight now but Robertson expects his system of training to remedy this very shortly.

## SHAMROCKS WIN.

The Shamrocks football team opened the season yesterday at Mishawaka by defeating the Irish Regulars 31-0. The Shamrocks won by line plunging and end runs. Powell made two touchdowns, Johnson one, Bishop one and Steele one. Shennenberger kicked goal from touchdown.

Hoppe Will Play Inman, the English Champion.

NEW YORK, Sept. 28.—After long practice at his opponent's style of game, Willie Hoppe, world's champion at balk line billiards, and Melbourne Inman, the English billiard champion, are resting in readiness for the opening session of their 6,000-point international billiard match which opens for the week at the Hotel Astor Monday night. Each player is confident of carrying off the honors of the match, not to speak of the side bet of \$1,000 which each has posted.

## WISCONSIN MAY NOT SEND CREW TO HUDSON AGAIN

NEW YORK, Sept. 28.—According to gossip among eastern oarsmen there is a possibility that Wisconsin will not send a crew to Poughkeepsie next year. Wisconsin rowing authorities are said to be opposed to the crew competing on the Hudson because they think the long journey followed by the strain of training has a bad effect on the oarsmen.

## CHIP AND MURRAY ARE THROUGH WITH WORKOUTS

SAN FRANCISCO, Sept. 28.—George Chip and Billy Murray have put in the last day of strenuous preparation for the 20-round boxing match next Wednesday, which is expected to single one of them from the list of contenders for the middleweight championship.

## SILVER EDGES IN AN EASY VICTORY

Pile Up Sixty-one Points While the Garrett Tigers Are Unable to Secure One Tally—Locals Are Strong.

The Silver Edge football club started off their season in fine style Sunday afternoon, when they smothered the Garrett Tigers by a score of 61 to 0.

The local aggregation, which contains most of the players of last year's Huebner team, were too fast for the visitors, who never had a chance. The Silver Edge team sewed it up in the first quarter when they scored three touchdowns.

Hardy starred for the locals, making nearly half of the scores, and running the team in great style. In the third quarter he received the ball on the kick-off and went down the field for a touchdown.

The line-up:  
Silver Edges (61). Garrett Tigers (0).  
Gruber, R.E. Lockwood  
Peters, R.G. Miller  
Meyers, C.C. Traff  
Alby, L.G. Dawson

## RIVERS AND MANDOT IN TRAINING FOR BIG TILT

NEW ORLEANS, La., Sept. 28.—The lightweight division's two big men, Joe Mandot and Rivers, started training in earnest here for their 20-round bout scheduled for next Sunday afternoon at D. J. Tortorich's McDonoghville arena, across the river. Large crowds attended the respective training camps of both boys, about 1,000 boxing fans seeing Mandot box five rounds, while nearly that number visited Rivers' camp.

Betting has already started with Mandot an odds on, five to eight. Indications that the Frenchman will be a heavy choice at the ringside, for his recent victory over Wolgast and the form he has displayed in his workouts have caused the betters to lay odds.

## MAROONS FAIL TO SCORE

All Kinds of Football Is Pulled By the Muesel Team.

In their first game of the season, the Muesel football team trounced the Mishawaka Maroons yesterday afternoon on Oliver field, 30-0. The Muesels resorted to all styles of play, line bucking, end runs and forward passes. Their first game was a creditable showing and the men have their eyes on the Northern Indiana championship title. A challenge is issued to any time in Northern Indiana or Southern Michigan. Call Frank Niezgowski, 1515 Division st. Home phone 6686.

## CHARLEY WHITE GOING BACK WEST TO BATTLE

Nate Lewis, manager of White, today notified promoter Jimmy Coffroth that he will accept the last week in November for a match between his charge and the winner of the Ad Wiggast-Tommy Murphy battle. But before going to Frisco for action White must tackle Stanley Yoakum, the Denver lad, whom he meets in the ring at Kenosha on Oct. 5. Yoakum is due here tomorrow and will take up quarters in Forbes gymnasium.

White featured with a 20-yard end run.

## NOTRE DAME WILL MEET FAST TEAMS

Scores of Saturday Show That Opponents of Local Team Are in Shape and Ready to Put Up Stiff Battle.

Some stiff opposition faces Notre Dame this year in her endeavors to wrest the football laurels, judging from the scores of Saturday's games. Most of the schools Notre Dame is to meet showed strength in their first tilt, while at least one looks to be stronger than it was last year.

Yale defeated University of Maine by a score of 20 to 0. Last year these two schools played early in the season and neither team succeeded in scoring. Syracuse defeated Hobart 37 to 0, which shows that another opponent is playing a fast game. The Haskell Indians defeated Kansas City university 87 to 0. This speedy aggregation plays Notre Dame on Cartier field Saturday, Oct. 31.

The Carlisle Indians were also victorious, defeating West Virginia Wesleyan 6 to 0. This is the third straight victory for the Indians. An interesting feature of Saturday's football games was the one between University of Pittsburgh and Cornell, the former defeating Cornell 9 to 3.

Edward Hanley, a member of the freshmen football team at Notre Dame last year, played a wonderful game at backfield for Pittsburgh.

Some New Jersey genius has invented golf clubs with stroke-meters that record every swing—and we know several fellows who would lose a mid-iron to cut two strokes off their count.

### BATTLE OCT. 9.

NEW YORK, Sept. 28.—Gunboat Smith and Battling Levinsky will meet on Oct. 9 before the Manhattan Sporting club. Danny Morgan and Jim Buckley, representing the boxers have each posted \$500 appearance money.
